## A Distinguished Assemblage of Fashionable Millinery

The past week was a busy one in the Millinery section, and the generous patronage that we were favored with proves beyond doubt the intrinsic worth of the models involved in our Fall showing.

The New French Millinery, reinforced by many magnificent productions from our own work-rooms, will make this week's exhibit the most important of the

The unusual number of effective models concerned gives you a wide latitude of choice, in which our experienced saleswomen will assist you in selecting the model most becoming to your style and figure.

Our Richmond friends and all visitors to the city are cordially invited to this exhibit in Millinery and Dress.

## Genuine Reductions In Smartest Suit Models.

Broken Lines Must Go.

Owing to the great volume of business transacted in the Garment section during the past week, we find that many of our best suit lines are broken in sizes and color assortments. As it is impossible for us to re-order, we have decided to materially reduce the prices on all lines affected. The importance of the reductions, and what they mean to you, may be seen by the following:

\$20 and \$22.50 Suits, \$18.

# Dainty Apparel for Children.

Fall and Winter Models.

What do the children need? Costs?-we have them; warm, pretty Bearskin ones; others in smart cloth materials-the kind the little ones like to snuggle up in on cold days. In truth, we have everything that's needed to keep children comfortable and healthy during Jack Frost's reign. It's a hobby with us, this Children's Wear Department. All things correct and fashionable for tots, children and misses can be seen here, and our prices are always on the right side of comparison.
